

August 2023

Social Enrichment Schedule

The Farmer's House is committed to providing high quality social enrichment opportunities for people with intellectual disabilities. Our activities are staffed with a 1:6 ratio of oversight. If a participant requires a higher level of support they are welcome to bring a 1:1 support person with them to our activities.

Below is our schedule of activities for August 2023. Please complete our online registration for activities you know the participant can attend as space may be limited in some cases. Transportation to/from the activity is on your own unless otherwise noted.
